Following the enactment of ACT legislation in December 2010, the College is now a totally smoke free environment.

Smoking is limited to the Designated Outdoor Smoking Area located at the rear of Facilities and Services, across from the Griffin Wing, Burgmann College. Exceptions can be made on special occasions when the Principal may approve (in accordance with ACT legislation) the provision of Designated Outside Smoking Areas (DOSA).

Otherwise, smoking anywhere else in the interior, the courtyards or precincts of Burgmann College is strictly prohibited.
